## Stone Middle School

### Hello Stone MS Community,

We hope that you were able to get some time to rest and relax this holiday weekend.

Today started our first after school session for academic support; which means teachers will be available after school on Tuesdays to offer support to students. We ask that students sign up via Schoology to stay after school. Late buses will not be available this first week of academic support however, they will start on September 27th.

Last week, all students were given a Stone reusable water bottle and academic school planner for the year via their Panther block classes. We highly suggest that students put their name on their water bottle and agendas.

Please remind your students to be a Stone PRO. That means that your student should come to school everyday **PREPARED** showing **RESPECT** for themselves and others and **ON TIME**. We look forward to another week of learning and growing at Stone.

### Volunteer Opportunity

Our Library could use some parent volunteers this school year. Our prime times are during lunches and right before school starts. Please use sign up genius to volunteer:

<https://www.signupgenius.com/go/904094FABA722A64-stone1>

### Challenged Materials Review Committees

Stone Middle School is seeking two individuals who are available to serve on a Fairfax County Public Schools Challenged Materials Review Committee. Parents must not be employed by FCPS in order to volunteer. The list of Stone committee members will be maintained at the FCPS central office. Throughout the year, names are randomly chosen to serve if a central departmental committee is required to review a challenged material. If you are interested in serving in this role, please send an email to Mrs. Williams at [snwilliams1@fcps.edu](mailto:snwilliams1@fcps.edu)
